1. Vehicle Details entry and Memo generation (<https://vahan.parivahan.gov.in/checkpost> )
2. Use Tax Payment under Border Tax Payment

The screenshot displays the e-Vahan CheckPost portal interface. At the top, there is a navigation bar with the text "Please pay tax in advance" and links for Home, Skip main content, and Skip navigation. The main header features the Ministry of Road Transport and Highways logo and the e-Vahan logo. Below the header, a navigation menu includes "Home", "Border Tax Payment", and "Reports". A dropdown menu under "Border Tax Payment" is open, showing options for "Tax Payment", "Check Pending Transaction", and "Reverify Failed Transaction". The "Tax Payment" option is selected. A warning message states: "Verify the validity of the receipt by sending sms VAHAN <STATE CODE> CP <VEHICLE NO> to 7738299899 (e.g. VAHAN XX CP XXXXXXXXXX) in case you select wrong service and pay the fee/tax, amount will not be refunded or adjusted." The main content area is titled "THE SOLUTION FOR VEHICLE TAX COLLECTION AT CHECKPOST" and contains a detailed description of the CHECKPOST portal's purpose and functionality. To the right of the text is an "Authenticated Login" form with fields for "User Name" and "Input text shown in the above image", along with "Submit" and "Reset" buttons. Below the text and form are five circular icons representing different services: "Tax Payment", "Print Payment Receipt", "Check Pending Transaction", "Check Receipt Details", and "Reverify Failed Transaction". The footer of the page includes the URL "https://staging.parivahan.gov.in/checkpost/faces/public/payment/TaxCollection.xhtml" and the text "Please pay tax in advance to avoid any last minute hassle". The system tray at the bottom shows the date and time as "1:22 PM 09-Dec-21".

### THE SOLUTION FOR VEHICLE TAX COLLECTION AT CHECKPOST

**CHECKPOST** portal is meant to be a common platform from where various checkpost services are provided to citizens, as and when they are developed by the department. These services are being started for online checkpost tax payment of vehicles. The owners of these vehicles can access to the portal from any internet access point, and deposit their due taxes through net banking facility. This system will save them the trouble of physically coming to the transport office, while the department will be able to collect their taxes in a cashless and seamless way. Once the user logs on to the system and provides the required information about the vehicle, the software calculates and displays the tax amount payable. If the user accepts to make the payment, the portal redirects him to selected bank or treasury site. The user then makes the payment from his bank account through secure Internet Banking. Once the transaction is complete, the software generates a detailed receipt, which can be printed by the user for his records. For checking the authenticity of receipt, the transport department officials will be able to cross-check the payment details by logging on to the portal using this web-based software. They can also view / print various reports which will be generated for officials of the transport department.
