To
The Dean
Gandhi Medical College Bhopal

Subject: Regarding appropriate action against faculties of Dept. of Obstetrics and Gynaecology, GMC Bhopal.

Respected Sir,

JDA Bhopal demands Dr. Aruna Kumar, Head of the Dept., Dept. of Obstetrics and Gynaecology to take moral responsibility of the suicide of Dr. Bala Saraswathi and resign immediately from her post.

Back in 2019, when Dr. Aruna Kumar was the Dean, Gandhi Medical College Bhopal, there was a life-threatening incident against a Paediatric resident by an intruder who climbed to her room and tried sexually assaulting her. Dr. Aruna Kumar failed to realize the gravity of that incident and did not take appropriate action. As a result of which she was removed from the post of Dean.

Since this incident is the second grievous incident under the same leadership which led to loss of life of a resident, we are afraid her presence in this institute might lead to more such unfortunate incidents in the dept. This is also necessary to ensure an unbiased enquiry of this incident. Hence, **we demand her immediate removal from Gandhi Medical College, Bhopal and shift to some other institution.**

Also, to bring to your notice that while the Core committee of JDA was meeting with the College Council on 02/08/23 at around 03:30 pm, **Dr. Bharti Parihar, Professor and Dr. Sona Soni, Associate Professor, Dept. of Obstetrics and Gynaecology** threatened the residents of their Dept. and made remarks about the personal life of the demised. Hence, we request you to take appropriate action against the aforementioned.

Thanking You
Yours Sincerely
